FOR IMMEDIATE RELEASE

**BELLE HAVEN, THE SPA AT CHAUMETTE**  
Resort Spa Opening in the Heart of Missouri's Finest Wine Country

**Sainte Genevieve, Missouri (April 2008)** – Located in the heart of Missouri's finest wine country and Mississippi River Hills Region, Belle Haven, the Spa at Chaumette, is the Midwest's first luxury resort spa, offering the ultimate spa experience in an inspired setting, on the grounds of Chaumette Vineyards & Winery in Sainte Genevieve County, Missouri.

Our Spa offers treatments based upon Caudalie products, a therapy using grape-seeds, stalks and vines, developed by researchers at the Pharmacy Facility at Bordeaux. These grape-seeds contain polyphenols which are excellent organically produced treatments for the skin and assists in the quest to erase the effects of time, stress and environmental aging factors. We have also designed signature treatments using grape-seeds and wine extracts directly from Chaumette Vineyards & Winery.

The 4500 square foot Spa features a wraparound porch with panoramic views, six (6) treatment rooms, including a couple's suite, a relaxing Spa Sanctuary, a far infrared sauna and deluxe pipe-free pedicure spas. During Summer 2008, Chaumette Vineyards & Winery will be unveiling its heated pool, poolside cabanas and will also be opening a poolside restaurant, offering alfresco dining with an emphasis on health-conscious cuisine from the Grapevine Grill.

Joseph Sharlow, M.D., F.A.C.S., owner/operator of Belle Haven, the Spa at Chaumette, states, "Our latest endeavor is designed to complement the area's already very successful wine industry introducing our local, as well as tourist, population to the only true resort spa in the River Hills Region." Sharlow goes on to say, "Working with Chaumette Vineyards & Winery on this vision has been very interesting and we believe that we've created something truly unique that will leave our clientele with wonderful memories and a customer service experience that will inspire them to return time and time again."

Belle Haven, the Spa at Chaumette, will be holding its Grand Opening celebration the weekend of April 18 – 20, 2008 and, in conjunction with the festivities, launching the new and improved website. Visitors to the Spa can take advantage of the Grand Opening Package and receive 20% off any services booked and paid for during the celebration weekend. Attendees can also register for the daily drawing to win a \$200 gift card from Belle Haven, Caudalie product samples, and lunch or dinner for two, courtesy of Chaumette Vineyards and Winery.

Throughout the weekend, our staff will be offering tours of the facility, live demonstrations along with question and answer sessions on the many services provided. Melissa King, Spa Concierge, states, “Our objective, from the beginning, has been to create a spa environment like no other and we believe, with our highly trained and experienced staff, along with our Caudalie line of skin care products and our signature treatments, we have succeeded in reaching our intended goal.”

The Grand Opening hours are Friday and Saturday, April 18<sup>th</sup> & 19<sup>th</sup>, from 12pm – 5pm and Sunday, April 20<sup>th</sup>, from 1pm – 3pm.

#### **About Belle Haven, the Spa at Chaumette**

Medical & Aesthetics Enhancements, LLC is a privately held and locally owned business and is the parent company of Belle Haven, the Spa at Chaumette, and Toni’s Medical Aesthetics & Day Spa. Belle Haven, the Spa at Chaumette, a resort spa on the grounds of Chaumette Vineyards and Winery in the heart of the Mississippi River Hills Region, caters to the needs of the region by providing vinotherapy inspired spa treatments to the local, as well as the tourist, population. The concept for Belle Haven was initiated during a series of conversations between spa owner, Joseph W. Sharlow, M.D., and Hank Johnson, owner of Chaumette Vineyards & Winery. They shared a vision of a world class resort spa, as a unique attraction for wine lovers and spa enthusiasts alike.
